

Policy and Quality Committee Summary

February 9, 2022

Attendees: Elisheva Levin, Tracy Perry, Kresta Opperman, April Spaulding, Justin Stewart, Evangeline Yanez, Frank Gaona, Sbicca Brodeur, Daniel Ekman, Jessie Gutierrez, Christina Hill, Lisa Storti, Cathy Salazaar, Steve Wrigley, Amira Rasheed, Michael, Driskell, Shawnee Romo

Agenda item #1: Electronic Health Record Policy

The Policy and Quality Committee reviewed a proposed draft policy for DDSD Electronic Health Record. The purpose of the policy to identify DDSD responsibility for compliance with the Health Insurance Portability and Accountability Act (HIPAA) through secure communication and access to mandated documentation for individuals, IDT members and corporate guardians. The committee offered comments and recommendations. These comments and recommendations are currently being reviewed by the Bureau of Systems Improvement. Once reviewed, an updated draft will be reviewed by committee members and then reviewed again by DDSD.

Agenda item #2. New provider proposed trainings

The Policy and Quality Committee reviewed a list of proposed training areas for new providers entering the field. Proposed training areas were discussed and additional recommendations for trainings were offered by the committee.
