### Agenda items:

#### 1. Mortality Review Committee Policy Considerations

- Please see MRC PowerPoint Slides for proposed changes

Recommendations/Questions/Comments: There were not recommendations concerning this agenda item. It was requested that today's PowerPoint slides be sent out with the summary.

#### 2. Provider Application Enhancements

- Please see MRC PowerPoint Slides for proposed changes

#### Recommendations/Questions/Comments:

- If a provider offers services under multiple waivers, pulling the applications apart will cause more work for these providers.
- Could drafts of the changes be shared with the field as progress occurs?
- Will narrative questions be the same based on waiver?
- Jim Copeland indicated that he would be following up with Jason Cornwell today at ADDCP.
- Is this a paper application? Recommend creating a fillable electronic document that you can add attachments to.
